**ROOM:** CL 126

**TIME:** 8:30 - 9:20 MWF

**INSTRUCTOR:** B. Gilligan

**OFFICE:** CW 307.8

**OFFICE HOURS:** TBA

**EMAIL ADDRESS:** gilligan@math.uregina.ca

Please put “math 111” in the subject line

**GRADING:**

homework	10%
quizzes	10%
hour tests	30%
final	50%

**HOURLY TESTS:** There will be two hour tests during the semester.

**FINAL:** April 20, 2010, 19:00 - 22:00; location TBA

**REMARKS:** The purpose of the homework is to give you an opportunity to learn the material for this course. Please do not copy. In fairness to the marker no late assignments will be accepted.

**SYLLABUS AND PREREQUISITES:** Please see the back. Please note that any student who is in the course, but does not have the proper prerequisites, can be removed from the course (without warning) at any point during the semester.

**CALCULATOR POLICY:** The only calculators that are allowed at exams are: non-programmable graphing calculators, scientific calculators, and basic calculators. For details consult the department’s webpage: [www.math.uregina.ca/current/calcpolicy.html](http://www.math.uregina.ca/current/calcpolicy.html)
